**Use Two Drops - and They Vanish.**  
When corns make you almost die with  
your boots on, when you try to walk on  
the edge of your shoes to try to get away  
from your corns, you're way behind time  
if you have not used "GETS-IT." It's the

"Murder! Everybody Tries to Step on My  
Corn!" Use "GETS-IT" and You'll  
Have No Corns to Be Stepped On.

corn cure of the century, the new way,  
the sure, painless, simple way. It makes  
a fellow really feel foolish after he's used  
too-eating salves, corn-biting ointments,  
too-bundling bandages, blood-bringing  
razors, knives, files, scissors, jabbers and  
what-nots, when he uses just 2 drops of  
"GETS-IT" and sees his corn vanish. The  
difference is divine. Just try it. You  
won't wince when you put on your shoes  
in the morning. "GETS-IT" is sure. "gets"  
any corn, callus, wart or bunion.  
"GETS-IT" is sold by druggists every-  
where. Use a bottle, or send direct by E.

Sold in Cookeville and recommended  
as the world's best corn cure, by J. H.

**IT ISN'T YOUR TOWN, IT'S YOU**  
If you want to live in the kind of town  
Like the kind of a town you like,  
You needn't slip your clothes in a grip  
And start on a long, long hike.  
You'll only find what you left behind,  
For there's nothing that's really new.  
It's a knock at yourself,  
When you knock your town.  
It isn't the town - it's you!  
Real towns are not made by men  
afraid  
Lest somebody else gets a head.  
When everyone works and no one  
shirks  
You can raise a town from the dead.  
And if, while you make your personal  
stake  
Your neighbors can make one, too,  
Your town will be what you want to  
see.  
It isn't the town - it's you!  
—West's Christian Advocate

As I am spending quite a lot of money advertising property put in my  
hands. Please do not ask me to help you to sell after listing with me,

light with the buyer. Remember to do as you would like to be done by.  
I am making an honest effort to help develop the good county of Put-
